1	1-1	chapter 1	RB	<p><b>Overview</b> This chapter should be called Purpose and Need not Introduction. Section 1.1 will become Organization and Make-up of the Programmatic EIS/EIR. Attached Disc has this section. Section 1.2 is now the current 1.1.1 Background so that the current 1.1.2 becomes 1.1.1 and the current 1.1.3 becomes 1.1.2 and the current 1.1.4 becomes 1.1.3. <u>Sizable changes to each of these sections are described below.</u> The Mission Statement remains 1.3 and the Purpose and Need Statement becomes Section 1.4. <u>Sizable changes in these sections are described below.</u> Parts of the current Section 1.4 (1.4.2 and 1.4.3 with some modifications) are being moved into the new Section 1.1; while other parts (1.4.1) are going to the current 1.5.1. <u>Sizable changes in these sections are described below.</u> The current 1.5.2, 1.5.3 and 1.5.4 move to chapter 2 and become part of the description of alternatives. Since we are no longer doing an HCP, Section 1.6/7 goes to Chapter 11.</p>	
2	1-1	1.1.1		<p>new 1.2 replaces old 1.1.1; last line 1st paragraph, text box at bottom of page text remains same except, 1,200 species should be 120 species; 12,000 species should be 120</p>	
3		1.1.2		<p>new 1.2.1 replaces old 1.1.2; remains as written</p>	

Wendy -  
 These are the  
 changes I'm considering for  
 Chaps 1 & 2. What do you  
 think?  
 R--

4	1-1 and 1-2	1.1.3	new 1.2.2, replaces old 1.1.3. Section now begins with paragraph on page 1-2 beginning "CALFED is made up of ...." . Current first paragraph on page 1-1 is moved to the end just before current 1.1.4. Modify current first paragraph as follows: in first sentence delete "with management... in the Bay-Delta"; make a text box for the last sentence; and replace "includes representatives... groups" with "is comprised of 34 water leaders from throughout California" Delete last paragraph in left column on page 1-2 which continues in right column, it begins "Under both the National ...". 2nd full paragraph right column page 1-2 begins "The third element..." Modify third sentence of this paragraph by replacing "will be" with "is being" and insert "by the CALFED Bay-Delta Program" between "carried out" and "under the".
---	----------------	-------	--

5	1-2 and 1-3	1.1.4		<p>new section 1.2.3 replaces old 1.1.4; change title of 1.2.3 to <u>CALFED Program</u> Phases I, II and III.</p> <p>On page 1-3. change textbox title to <u>Key CALFED Program</u> Milestones. 1st full paragraph, left column, 1st sentence begins "Phase I began..." replace "when scoping sessions" with "with a series of public workshops". 3rd sentence begins "This resulted..." replace "goals" with "objectives" and insert "(Section 1.3)" at the end of the sentence. At end of second to last sentence which begins "This also resulted ..." add "(Section 2.2.1)". 2nd full paragraph which begins "Phase II began..." Delete 3rd to next to last sentences they begin "The programmatic environmental ..." and end with "...select one preferred alternative". Insert in their place, "In addition to evaluating consequences of the various alternatives, the Program is trying to identify the preferred program alternative (Chapter 4)". 1st full paragraph, right column, 1st sentence, insert "program" between "preferred" and "alternative". Similarly, insert "program" between "preferred alternative" at end of 2nd full paragraph right column.</p>	
6	1-3	1.2		change old 1.2 to 1.4	
7	1-4	text box		change "Mission StatementAppendix" to "Program, Goals and Objectives Appendix"	
8	1-6	1.3		move this Section to page 1-3 in front of Purpose and Need section,	
9	1-7	text box left column		change "Section 1.2 " to "Section 1.4"; and replace "in the more detailed mission statement appendix" with "in the Program Goals and Objectives Technical Appendix"	

10	1-9	section 1.4		this whole section gets moved around/deleted. Delete 1.4 and accompanying paragraph. 1.4.1- delete 1st two paragraphs and 1st sentence of third paragraph. Move rest of 3rd paragraph beginning "Preparation of this..." to the beginning of section 1.5.1. Delete 1st sentence of last paragraph. Move rest of paragraph to 1.5.1 after information just moved from 3rd paragraph. Delete text box at bottom.	
11	1-10	sections 1.4.2 and 1.4.3		these get moved to section 1.1 and there location is described in the disc entitled " Organization and Make-Up of the PEIS/EIR"	
12	1-11	1.5		delete title; replace with current title for 1.5.1. delete all current information under 1.5.1 and insert the information from 1.4.1 as described in comment # 10.	
13	1-11-12	1.5.2		1.5.2- delete 1st paragraph. Move rest of text to chapter 2 just before 2.4 1st full paragraph left column begins "Phased implementation..." 4th line insert "program" between "preferred alternative"	
14	1-13	1.5.2, 1.5.3 and 1.5.4		move to chapter 2 just before 2.4	
15	1-14	1.6 and 1.7		delete both from this chapter and move information in 1.7 to Chapter 11 <b>where?</b>	
16	2-1	chapter 2		Overview - section 2.3 will go first; a sizable amount of 2.1.1 will be deleted; 2.2.5 will be deleted; information from 1.5.2 and 1.5.3 will be added; 2.7 will be moved before 2.4; 2.5 will go to chapter 4; 2.6 will go to chapter 5	

17	2-1 to 2-4	2.1 to 2.1.1.5		this section becomes 2.2, delete everything after the first paragraph of 2.1.1. through 2.1.1.5.	
18	2-4	2.1.1.6		Delete 1st 4 paragraphs of 2.1.1.6. Modify 1st line of next paragraph as follows, "The outcome of the Phase I process was..."	
19	2-5	2.1.1.6		1st full paragraph, left column. Add "components" to first sentence between "storage" and "varied". Delete next three sentences. Delete last sentence and the three bullet items. 2nd full paragraph, left column, Deleted "10" and change "II" to "I" in the first sentence. Add the following, " Figure 2.2.2.1(need to change number?) depicts this simplified structure. Move figure 2.2.2.1.	
20	2-5	2.1.2		1st paragraph - change "II" to "I" in second bullet. Insert "A detailed discussion of this Phase II effort can be found in the Phase II Report Technical Appendix." following the 3rd bullet. 2nd paragraph - 2nd line replace "contain" with "were expanded to include". 3rd paragraph - delete 2nd sentence. Change section # in next sentence to whatever the new one is.	
21	2-5	2.2		delete 2nd sentence	
22	2-6	2.2.2		delete this section	

23	2-6	2.2.3		adjust section # in 1st paragraph; 2nd paragraph - delete last sentence and insert, "There is a watershed management technical appendix. The Program is not proposing a water transfer program rather the Program recognizes that transfers are a part of the overall water management landscape in California and proposes to work cooperatively to facilitate a statewide water transfer market."	
24	2-7	table 2.2.1.1		add following to the end of the title "Based on Their Status as of June 1995."	
25	2-8	fig 2.2.2-1		move to 2.1.1.6	
26	2-13	tab2.2.4-1		the table doesn't seem to fit. i'd like to see it follow 2.2.4 so it sits closer to 2.2.4.1. this comment applies to the other two tables as well.	
27	2-23	2.2.5		delete this section	
28	2-25	2.3		move this section to the beginning of this chapter. 1st paragraph - delete except for "The appropriate...the Program" in the first two lines. This first sentence then continues in 1st sentence of 2nd paragraph but, delete "The approach which" and insert "that". Delete last sentence of this paragraph "The specifics... presented below"	
29	2-26	2.3.2		delete figure number for study area map. Just tell them where it will be. Delete 1st two paragraphs "Upper Watersheds".	

30	2-27	2.3.2		2nd paragraph left column - move so it is discussed immediately following Sacramento River Region on page 2-26. Delete 3rd paragraph. Move 4th paragraph immediately following the San Joaquin River Region discussion on page 2-26. delete last paragraph this section.	
31	2-27	1.5.2, 1.5.3, 1.5.4		insert these sections as modified by comments # 13 and 14 just before 2.4.	
32	2-27	2.7		insert after 1.5.2, 1.5.3 and 1.5.4 but before 2.4.	
33	2-30	2.5		this whole section except 2.5.3 is taken out of chapter 2 and all information re: this activity goes in Chapter 4. 2.5.3 is left to direct reader to chapter 4.	
34	2-31	2.6		move this section to chapter 5. <b>location?</b> delete from 1st sentence of 2.6 "to develop a long .... Bay-Delta system"	
35	2-39	2.7		move to just before 2.4
